

Monty Tech's 2016-2017 After School Tutoring Program

Academic Support for all
Monty Tech Students

Free after school tutoring
sessions will run from
3:00-4:00pm.

After School Tutors are
highly qualified teachers
employed at Monty Tech.
They are experts in their
content-area and use
data-driven assessment as
part of their tutoring
practice to identify and
address students' skill
deficiencies in English,
math, and science.

Students will be required to
sign in and out of tutoring
sessions. The attendance
information will be made
available to parents and
Monty Tech staff. To
inquire about a student's
participation in after school
tutoring, please call the
academic office at extension
5201.
